Aloha Mai,

Standing so proud, the native sons and daughters of Kamehameha Schools Class of 2010 are in their final and senior year of high school. These fine distinguished young men and women are ready to move forward as the next generation of industrious new leaders for tomorrow. The journey of their high school years has been phenomenal in which they have gained so many remarkable experiences. The Class of 2010 has contributed their time in serving through various service projects in school and in the community. On October 17, 2009, the Class of 2010 will celebrate their Senior Lū'au and the school year will end with the highlight of one's senior life: his or her Commencement and Project Graduation on Sunday, May 30, 2010.

The parents of the Class of 2010 will be hosting project graduation, which is an alcohol and drug free event, where nearly 99% of the graduating class attends. After the commencement exercise, students can anticipate a safe and fun filled night with their classmates.

Project Graduation is partly funded by class dues, but most of its costs are paid through the money raised at Senior Lū'au. With a lot of hard work and support by the students, parents, silent auction, and ticket sales, this lū'au will be a memorable night to remember in reaching our goal to fund Project Graduation for our seniors. This is where we need your support. Times are hard for everyone but we cannot do this without the support of the business community. While your natural inclination would be to assume that our founder Ke Ali'i Pauahi Bishop blessed us with a generous and sizable trust, maintaining this trust for the educational benefit of all the children of Hawai'i requires a huge financial commitment, and Project Graduation expenses, although worthwhile, need to be paid by the Class of 2010. We humbly ask for your kōkua.

Please consider contributing in the following ways:

- ❖ A monetary donation to defray the cost of the venue rental, food, and entertainment for the actual Project Graduation event held on May 30, 2010.
- ❖ A pledge for services, food, or goods for gift bags for 450 students for Project Graduation.
- ❖ Gift cards, gift certificates, or items to auction at the Senior Lū'au on October 17, 2009.
- ❖ Put your company name in front of 1,500 families and friends attending the Senior Lū'au by becoming an Advertising Sponsor.
- ❖ Or...tell us how you would like to help support our keiki!

Please complete the enclosed form(s) to let us know how you would like to participate. No gift is too small!! If you have any questions, please do not hesitate to contact us via email tcbclohana@msn.com or atouchabovetravel@prodigy.net or cell number 782-3484 / 282-4892. Your kind consideration and partnership in making this a successful Senior Lū'au are greatly appreciated. Mahalo for helping to make a safe and memorable Project Graduation for the Kamehameha Schools Class of 2010.
